## **Load Cells**

Whether you need a replacement load cell, or a load cell for a unique application, we've got a solution to fit any need. From tank and hopper weighing, to bulk material management, to mechanical scale conversions.

## **Indicators**

A Quality line of instrumentation and indicators that excel in any environment, providing accurate weight data with power, speed and rugged durability.

## **Floor Scales**

Floor scales designed from the bottom up to perform year after year in the most rugged industrial environments. 500 lb to 30,000 lb capacities, sizes ranging from 2' x 2' to 8' x 10'.

## **Forklift Scales**

Cargo lift scale, simple drive up, lift, secure and power up the ready-to-work system. Wireless version communicates weight data via ZigBee™ connection from scale to indicator
