### **PHT-401 PNEUMATIC FRICTION WELD**

The PPI PHT-Series pneumatic operated friction weld tools are the ultimate in design and function.

The lightweight, compact modular PHT-401 offers one handed operation, and can pull up to 450 pounds of tension. The PHT-401 tool operates with both polypropylene and polyester plastic strapping from 7/16" to 5/8" wide and up to .050" thick.
