PHT-1201 PNEUMATIC FRICTION WELD

The PPI PHT-Series pneumatic operated friction weld tools are the ultimate in design and function.

The lightweight, compact modular PHT-1201 offers one handed operation, and can pull up to 1200 pounds of tension. The PHT-1201 tool operates with both polypropylene and polyester plastic strapping from 5/8" to 3/4" wide and up to .055" thick.
